# White Stag Sierra Campership Application

While we strive to keep camp costs low, we understand that some families still struggle to afford camp fees. We believe the White Stag experience should be available to all regardless of income. We have received financial support from alumni for a limited number of camperships available to help families with limited means. If paying for White Stag camp is a financial hardship for your family, we encourage you to request a campership. A campership may cover up to 80% of camp fees. Your request for financial assistance and your personal information is always confidential. Once your campership application is reviewed, we securely destroy any information you provided us.

*Use reverse of form or attach extra sheet if needed.*

## ASSISTANCE CRITERIA

Your request is individually reviewed by the White Stag Association. Their decision is based on your family's economic need. Each candidate participant is eligible to receive one campership per year. Your need for financial help must be clearly evident. Families meeting the following criteria receive priority consideration:

- Youth living in the Northern and Central California regions.
- Families with siblings attending camp.
- First-time attendees.
- Families who pay as much as they can toward the cost of the camp.
- Families who volunteer their time.
- Applicants who are currently a member of a youth group.
- Youth who raise part of the funds to attend camp.
- Applicants who have completed the online application and Personal Medical Form.
